FOR THE

YEAR ENDING DECEMBER 31, 1957

1957

TWO COMMUNICATION TO PITTSFIELD

December 17, 1957

Board of Selectmen
Town of Pittsfield
New Hampshire
Dears Sirs:

I am happy to notify you that I intend to give to the Town of Pittsfield, New Hampshire, the sum of $500.00 for Band Concerts for the 1958 season. I would ask you to please so notify the Town at the March 1958 Town Meeting.

I would like to have it known that this is given in memory of my late father and mother, the late Mr. and Mrs. Nathaniel S. Drake, both of whom took a great interest in these concerts.

I am, this day,making payment of said $500.00 to the Town Treasurer.

Sincerely yours,
J .FRANK DRAKE

To the Town of Pittsfield, New Hampshire

It is with great pleasure I present to my native town, Pittsfield, New Hampshire, in memory of my grandfather, Sherburn Josiah Winslow, a piece of land adjoining land of the Carpenter Library, the same as in Deed herewith.

With every wish for the Library's future success and prosperity.

Very sincerely yours
MARGARET LOUISE HOOK

Pittsfield, New Hampshire

Pittsfield's First Citizens

Two of Pittsfield's leading citizens have been signally honored by their townspeople through annual awards to the leading man or woman who has done the most for the community through the years. Town Treasurer, Victor E. Trace was named Citizen of the Year for 1958. Above he sits with Miss Pearl E. Osgood who received the first Citizen of the Year Award when it was instituted in 1957.

SELECTMEN'S REPORT

The year 1957 saw Pittsfield continuing with its community development, with a great emphasis being placed on road improvements.

The purchase of the Austin-Western grader, concluded only after a thorough survey of market prospects by the selectmen, equips the Highway Department with a means of providing speedier and more adequate service to our citizens.

Specifically, Franklin Street, long an eye-sore in the center of the town, was shaped and tarred, along with Foss Ave. The TRA appropriation was expended on Tilton Hill Road, to join the tarred surfaces between the old railroad bridge and the residence of Daniel Adel.

Once again through the generosity of Col. J. Frank Drake our citizens and our community guests were able to enjoy the music of summer band concerts. In the seventh year of these concerts, we wish to express the gratitude of the town to our benefactor.

At this time, this Board wishes to acknowledge for the citizens, the gift of a sizeable piece of land in the rear of the Carpenter Public Library which has been donated to the Town by Miss Margaret Hook for library purposes. This gift is in the best traditions of Pittsfield whereby our citizens are sufficiently foresighted to meet in advance community needs of tomorrow.

A milestone in the industrial life of Pittsfield was passed when the new factory of the Pittsfield Shoe Company was opened in July. This plant provides us evidence of faith in the economic future of our community

All in all, the past year proved to be one of activity for Pittsfield officially, activity which aided us in our life as a healthy, happy American Community.

PERAMBULATION OF NORTHWOOD PITTSFIELD TOWN LINE

Pursuant to a notice from and by the Selectmen of the Town of Northwood to the Selectmen of the Town of Pittsfield, the undersigned met at the southeasterly corner of said Town of Pittsfield on the twenty-first day of October, 1956 at 8:30 A.M., and proceeded to perambulate the line between the said towns and to renew the marks thereof, and establish the same as follows:

Beginning at a stone on the farm formerly of the late George W. Bartlett (being a corner bound of Epsom and Pittsfield) marked P-E-P-N, 1906, 1941, 1955 and other marks; thence in a northeasterly direction to a stone in the wall bordering the state highway to Pittsfield on land formerly of the late Clinton M. Green, marked P-N, 1899, 1941 and other marks, (1955 added); thence in the same direction to a stone in the wall bordering the highway leading southeasterly from the house of Jean Stimmell, marked P-N, 1899, 1941 and other marks (1955 added); thence in the same direction to a stone monument on or near the wall borderng the farm formerly of the late Josiah R. Tucker, marked P-N, 1857, 1941 and other marks, (1955 added); thence, in the same direction to ledges on the land of said Tucker, marked P-N, 1850, 1934 and other marks (1955 added) (a pile of stones on said ledges); thence in the same direction to a beach tree makred X, P-N, 1913. 1934 and other marks (said tree about fifty yards east of a sawdust pile) (1955 added); thence in the same direction to a corner stone bound of Northwood and Strafford, marked X, P-S-N, 1856, 1934 and other marks (1955 added) and a rock marked 1878.

In witness thereof we have set our hands this twenty-first day of October, in the year of our Lord, Nineteen hundred fifty-six.

A. J. DAROSKA

REPORT OF THE TRUSTEES OF CARPENTER LIBRARY

Our activities this past year have been on the quiet side, as all major projects have been completed to date.

We wish to thank the Pittsfield Women of Rotary for their gift of one hundred dollars toward the purchase of a lavatory installed in the Jenkins Memorial Room this past year.

There was a gift of thirty dollars from neighbors and friends of the late Grace B. Towle which was used to purchase books in her memory.

The Board of Trustees wishes, in behalf of the town, to thank Miss Margaret Hook for the gift of land directly in back of the library. The Board also wishes to acknowledge her further generosity of books and pictures.

Our Memorial Room has been used many more times and by several new organizations this past year. We are glad to hear that the children of six to eight are enjoying the Saturday morning story hour, thanks to the Valley Times, who sponsor this project with Mrs. Ralph Van Horn as the Story Lady.

This year the board has stressed the purchase of more reading material for grade one through six.

We have endeavored to work in conjunction with the High School Faculty in purchasing books to meet their needs in the present day Literature classes.

Mrs. Constant and Mrs. Pease attended the all day state-wide Trustees and Librarians meeting at Newport, New Hampshire, this year for the purpose of familiarizing ourselves with the new methods and means of improving our library facilities for the Pittsfield area.

Circulation for the year: Adult, 8,357; Juvenile, 2,715. Books purchased, 404. New Registrations, 372.

The Board of Trustees

MR. FRED FRANZEIM
Chairman

MRS. CLARICE CONSTANT
Secretary

MRS. SYBIL PEASE
Treasurer

Special Justice

FIRE AND POLICE SIGNAL SYSTEMS REPORT

There was a total of 38 alarm signals over the alarm system, including four false alarms. During high winds, the fire signal gave trouble by striking at times. This was finally located caused by a loose connection. Wire was purchased and cross arms put on for the bell alarm in the new shoe factory.

Two new boxes have been added to the system. One at the Grammar School, No. 137 and at the Memorial School No. 131. These operate only on boiler failure.

As a reminder, when you make a call by telephone please give your name, location and what the fire is, slowly and distinctly and do not hang up the telephone receiver until message is correctly understood. Please use street boxes when possible.

The Police signal has given very little trouble. A new relay was placed in the police signal, so they could switch on Police lights by dialing the telephone.

Recommendations

The fire house hose tower has not been in use for sometime, mainly because it is dangerous to use and the tower is weak at the top. In high winds, it creaks and sways approximately six (6) inches. It should be taken down. The wooden awning over the fire house doors is weakening and the iron rods that hold the awning are straining the wall itself. The chimney on the fire house should be topped as the bricks are all loose.

The Fire Station itself is inadequate — we haven't space to house all vehicles. The town pays for storage of one vehicle, the boat and trailer is kept in a barn.

Respectfully submitted,

CLARENCE E. ROBIE
Chief of Fire Department

WALTER E. HALL
Superintendent of Fire Alarm

REPORT OF POLICE DEPARTMENT

January 1, 1957 to December 31, 1957

Polio Clinics:	
Number held	2
Total Attendance	603

Very truly yours,

GERTRUDE J. SNOW
Public Health Nurse
Bureau of Public Health Nursing
N. H. State Department of Health

REPORT OF FOREST FIRE WARDEN

Forest Fire Prevention is Everybody's Business

New Hampshire faces a continuing challenge in its forest fire problem - 97 percent of all our forest fires being man-caused and preventable - a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods, in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires- all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort - The rules are simple.

1. Don't burn at home - use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.
3. Be sure that all lighted material - cigars, cigarettes and matches - are completely out before discarding them. Use ash trays in automobiles.
4. Make certain that your debris, camp and cook fires are completely out before leaving them.
5. Insist that others be careful and comply with burning requirements.
6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER - the fire you prevent might be the one which could burn YOUR property.

REMEMBER - Forest Fire Prevention is Everybody's Business and our Most Important Undertaking.

1957 Forest Fire Record for Your Town

Number of Fires	2
Acreage Burned	6/10
Number of Permits Issued	84

THOS. J. KING, District Fire Chief

GEORGE A. REED, Forest Fire Warden

Superintendent of Schools

JOHN W. DAY, Resigned, effective January 1, 1958
JASON W. BOYNTON, elected, effective December 1, 1957

SUPERINTENDENT'S REPORT

To: School Board Members and Citizens of Pittsfield

Since being elected as your Superintendent of Schools as of December 1, 1957, I have become very interested in your schools and your town.

There are some real problems in terms of space requirements and facilities, some of which must be attended to without delay and others which must be met by carefully developing and executing long range plans.

The people with whom I have become acquainted have been friendly and I am especially grateful to the School Board Members, Principals, Teachers, and other School Personnel for their acceptance of me. I am impressed by the quality and sincerity of the school people with whom I have come in contact.

These first two months have been extremely busy months with so much to learn and so much to do. Superintendent John Day was of great help to me as we worked together for the month of December and it seems entirely proper for me to make it a matter of record that his capable leadership has resulted in conspicuous progress.

Much of my time thus far has been spent within the Union Office and has been devoted to the preparation of budget materials and acquainting myself with the many activities of that office.

I look forward to becoming better acquainted with the people of Pittsfield and pledge my best efforts to serving the community effectively as your Superintendent of Schools.

Respectfully submitted

JASON E. BOYNTON

AUXILIARY ACTIVITIES AND SPECIAL REPORTS

(a) Report of the Principal of the High School

Across the nation, the public is reading feature articles, watching television broadcasts, and listening to speeches criticising the American secondary school system. What is wrong with the secondary schools? Despite the fact many of the writers and speakers have little valid information and experience in education, they make a lot of noise sounding off on this subject which produces a great deal of unfavorable criticism which is mostly unjustified. Ever since Russia successfully launched a satellite, Sputnik, American secondary education has been fair game for every huntsman. "We should teach more science, more math, more languages, drop pupils who have neither the disposition nor the capacity to stand the pace, and eliminate 'fun and entertainment' and get down to business." This is the claim but not the truth.

Seldom do we read articles and hear speeches about the good things the secondary schools are doing. When intelligent, contructive criticism is offered it is always welcomes. However, the critic should endeavor to prove his points and offer some realistic suggestions for improvement. And unless the critic has same facts substantiated by some research, his words cannot be presumed to be constructive. He is merely carrying the ball in a game that has "no playng field and no rules."

In contrast to the national publicity about secondary schools may I offer the following: Here in Pittsfield we have a fine school program. Our curriculum has never been allowed to remain static. This year our staff is working to coordinate the subject matter in all areas so that students will receive a more meaningful relationship between as many subjects as possible.

We are offering five electives in science, five in mathematics and four in social studies, plus two years each in Latin and French. Certainly our basic offerings refute the national picture presented recently. In helping to construct this basic but sound curriculum much credit should certainly go to past superintendent, John Day, who believed in a strong academic core as the basic for any school program. The administration and staff wish Mr. Day happiness and success in his new position.

We added a new course to the program this year, "Personal and Family Living." This course is an elective for juniors and seniors and has proved to be a valuable offering for all stndents

Our library has been moved to larger quarters. Some new shelving has been built and a general reorganization of its facilities carried out. . .

The appropriation which allows for public use of Greenleaf Auditorium has been put to good use by some organizations. The town ball team has been able to enjoy its use which would have been prohibitory without town funds.

I wish to thank the parents of our community who continually support us and entrust us with the education of their children.

Respectfully submitted,

HOWARD F. KELLEY

(b) Report of Principal of Grammar School

We are very fortunate in having no changes in our teaching staff at the Grammar School for two years. This certainly helps to promote better education and general management.

We now have five classrooms — 134 pupils. The size of the classes is almost ideal .

Mr. Hall visits each class twice a week to teach music. He also instructs a beginner's band of 26 children. Six children are in the Junior High School Band and are transported to the High School each Friday for a one hour lesson with the High School Band.

The hot lunch with Mrs. Bartlett as director, is serving an average of 100 children a day. About 50 of these children come from the Memorial School. On rainy and cold days the care of the children during lunch hour is a problem. A room in the basement for recreation would help solve this problem.

This past year, the P. T. A. and Woman's Club were very generous in equipping the outdoor playground with Ladder, Rings and Balance Rail

We at the Grammar School find the parents very cooperative and feel that we are working together for the good of the children.

RACHEL A. SHERBURNE
Principal

(c) Report of the Principal of the Memorial School

Our school, with its enrollment of 101 first and second grade pupils goes along quite smoothly in spite of the fact that two of our classrooms were fairly recently converted from basement space.

During the past summer, the Woman's Club and the P. T. A. through combined efforts, added a set of swinging rings, to our playground equipment and the school board graded about 25 feet more space on the west end of our play area. The need now seems to be a ranch-type fence across the west end and up as far as the building on the north and south and a continuation of the grading project —making it more permanent.

We are aware of the tremendous improvement in our music department under the direction of our capable supervisor.

The four teachers at the Memorial School are very grateful for such pleasant surroundings in which to help get our little people off to the best start possible.

HARRIET R. AMES
Principal

(d) Report on Visit to Pittsfield High School

December 2, 1957

On December 12, 1957, the following staff members of the State Department of Education visited Pittsfield High School: Miss Verna Payson, Mr. Frank Brown, and Mr. Russell H. Leavitt.

The purpose of the visit was twofold: first, to clarify what action, if any is necessary to qualify Pittsfield High School as an Approved High School under the Minimum Standards for New Hampshire Secondary Schools which will go into effect in Setember, 1958; second, to identify those aspects of the school plant and program which are in need of attetion if Pittsfield High School is to offer a comprehensive high school program.

Other recommedations and suggestions were presented verbally to Superintendent of Schools John Day. Superintendent-Elect Jason Boynton and Principal Howard Kelley. Although they are not detailed here, it is hoped that each will be given reasonable consideration.

The staff of our department is available to assist in any appropriate manner as steps are taken to implement the ideas presented in this report.

Action Necessary Under Minimum Standards

1. Inasmuch as the principal has administrative and supervisory responsibilty for more than 250 pupils, it will be necessary by September of 1958 to provide for a full time administrative principal or the equivalent by designating specific administrative responsibilities to an assistant principal.

2. In programming for 1958-1959 it should be borne in mind that teachers of academic subjects may be assigned to no more than six periods of instruction and to no more than five preparations. It would appear that the schedule of Miss Bedker now requires more than five preparations.

Action Strongly Recommended

1. The following recommendations show need for study and planning to provide for additional faculty, additional space, and/ or additional equipment, if approval of certain courses is to be continued:

a. The need for a general purpose science room should be given consideration. The present science laboratory provides sufficient work space for a maximum of 15 students. It is necessary for general science and biology classes to meet in a classroom that provides for water, gas and electrical facilities, and plenty of work space. An additional well equipped science room is necessary in order that all science classes, grades 7 to 12 may be cheduled in a laboratory situation whenever the classes meet.

b. A suite of at least two properly organized rooms is necessary to operate an adequate program in business education. Office machines should be bought or rented to give the necessary background and skill to office practice pupils.

c. The offerings in industrial arts are limited primarily to woodworking in grades 9-10, auto mechanics in grade 11, and more auto mechanics in grade 12, with some home mechanics. Steps should be taken to provide a well-rounded shop program in grades 7-12 for 1958-1959. Adequate equipment and qualified teachers wiill be needed.

2. The teaching loads of Mrs. Savage and Mr. Allen should be examined to determine whether or not their assignments prohibit time for preparation and for attention to individual pupils.

3. The program of studies should be re-examined whether the needs of pupils are being met. Particular attention should be given to the following points:

a. Advisability of continuing to require of all pupils four credits in the social studies field.

b. The desirability of adding one or two electives in the social studies field to include important phases of economics, sociology, human behavior, and consumer buying.

c. Reorganization of the 4th year college preparatory mathematics course. One possibility might include eighteen weeks of trigonometry, three to five weeks of solid geometry, and thirteen to fifteen weeks of advanced algebra.

d. Provision for offering three years of French, beginning in grade 10 and taught annually.

e. Start stenography I in grade 11 and provide for both clerical and secretarial practice in office practice in grade 12.

f. Provision for an exploratory course in general business.

g. Provision for a separate offering in personal typing, open to all pupils not in the business education course and starting no later than grade 10.

h. Consider the possibility of extending the offerings in home economics to provide a more diversified program for each grade.

4. The library situation needs careful review to see that:

a. At least one period a day is allotted to a teacher to care for the responsibilities of developing a school library.

b. A budget of at least $300 is provided yearly for the purchase of books, periodicals and newspapers, with additional sums appropriated for purchase of encyclopedia.

c. The practice of scheduling the library as a "study hall" is discontinued.

5. In a school as large as Pittsfield High School there should be a full-time guidance person, or the equivalent in qualified personnel; the basis being one period of guidance per day for each fifty pupils.

6. At least a half-time paid adult secretary should be employed as an assistant to the principal. One of her duties would be to care for the school registers, which are not now anywhere near up-to-date, and the pupil permanent records.

7. Consideration is recommended to securing a qualified art teacher so that students may obtain credit in visual arts. General music should be continued as an elective in the approved program of studies.

RUSSELL H. LEAVITT
Chairman: Visiting Committee
Report prepared December 23, 1957

(d) School Health

REPORT OF THE SCHOOL NURSE

Number of visits to the school	881
Number of children given physical examination	575
Number of children excluded from school	16
Number of treatments in school	178
Number of children accompanied to oculist and optometrist	8
Number of children given polio vaccine inoculations	863
Number of children attending dental clinic (completed)	12
Number of children attending immunization clinic	56
Number of home visits	23
Time given to school work — half days	123

	No. Affected	Corrected
Underweight	5	1
Defective teeth (temporary)	55	355
Defective teeth (permmanent)	148	
Defective vision	23	79
Enlarged tonsils	31	9
Posture	15	7
Nail Biting	94	35

Cases of Communicable Diseases

Chicken Pox — 26 Whooping Cough — 4

Measles — 2 Mumps — 1

Pediculosis — 2

The general condition of health among the school children seems very good and we believe that the hot lunches and physical education are a great help.

At the three polio clinics this year, 863 children were given polio vaccine inoculations and 56 children attended the immunization clinic. Both were sponsored bp the State Board of Health Nurse, assisted by our local doctors.

We are pleased with the dental work that is being done among the high school children. We do appreciate the help given us through the State and local organizations.

We wish to thank the parents, teachers and school officials for their kind cooperation with the School Health Program.

DORIS H. DROLET, RN
School Nurse

PROPOSED SCHOOL CALENDAR, 1958 - 1959

1958

Sept.	2	General Teachers' Meeting
Sept.	3	Regional Teachers' Meeting
Sept.	4	Schools Open
Oct.	13	Columbus Day celebrated
Oct.	16-17	Schools Closed - Teachers Convention
Nov.	11	Veterans' Day - Schools Closed
Nov.	27-28	Thanksgiving Recess - Schools Closed
Dec.	19	Schools closed at 3:30 p.m. - Christmas Vacation

1959

Jan.	5	Schools Open
Feb.	20	Schools close at 3:00 p.m. - Winter Vacation
Mar.	2	Schools Open
Mar.	27	Schools close at 1:00 p.m. - Good Friday
Apr.	10	Schools Closed - Teachers' Institute
Apr.	24	Schools close at 3:00 p.m. - Spring Vacation
May	4	Schools Open
June	19	Schools close at 3:00 p.m. - Summer Vacation

This calendar is subject to changes authorized by your School Board, State of New Hampshire education authorities, or when school is called off because of dangerous storms and emergencies. The minimum legal requirement is 180 days. Teachers' attendance at the State Teachers' Convention, Institutes and approved workshops will count as school days. If more than two days are lost, time will be made up on Saturdays preceding vacations or by continuing beyond June 19.

SCHOOL DAYS EACH MONTH

PROPOSED WARRANT
FOR SCHOOL DISTRICT MEETING
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of Pittsfield, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Greenleaf Auditorium in said District on the 6th day of March, 1958, at eight o'clock in the evening to act upon the following subjects: Polls are to be open for the election of officers at 8:00 p.m. and will be closed no earlier than 9:00 p.m.

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, and Committees or Officers chosen, and pass any vote relating thereto.

7. To choose agents, auditors and committees in relation to any subject embraced in this Warrant.

8. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of the school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hambshire and / or United States.

10. To see if the School District will adopt as its School Check List the Town Check List, as provided in RSA 197; 12A, as inserted by Laws of 1957; this provision to be effective for 1959 and subsequent annual district meetings.

11. To see if the School District will authorize the School Board to publish their report of expenditures, as prescribed by school law, without the extensive detailed itemization.

12. To see if the District will raise and appropriate a sum not to exceed $12,000, for the purchase of two new school buses, and in order to produce these funds to borrow to the credit of the district all or a portion of the sum so appropriated in accordance with the Municipal Finance Act and all the amendments thereto.

13. To transact any other business that may legally come before said meeting.
